## **I. Company Background**

Since 1965, Ets. DARWICH GABRIEL has been supplying the Lebanese market with the best British, European and locally made paints products and accessories. Confidence in our name has been built through the years due to our experience and the successful history of contracting practice with both public and private projects. Gabriel Contracting along with its administrative and site expertise has executed a variety of projects such as residential buildings and houses, commercial centers, offices, factories and warehouses.
